Day 1

The Mighty Jungle

Explore animals and bugs of the jungle, create clay animals, make paper mache masks and necklaces, face paint, knock a monkey out of a tree, sing songs, visit the farm animals and enjoy healthy snacks and drinks.

Day 2

Mad Environmental Scientist

Learn about water conservation, how animals use it, and the water cycle. Explore how different conditions affect the growth of plants, measure soil content, grow sugar crystals, make sparkling

monster goo, create magnetic slime, make color changing flowers, draw cartoons, fold origami, cool off with water games, healthy snacks and tend to the garden.

Day 3

Man in the Beginning

Learn how living sustainably and simply is very similar to the way man lived in early days, act out stories, make flickering fire pits, learn to tie knots, tie-dye an eco bag, make tools, have team challenges, draw, have a party and visit the animals!
