

3-Hour Daisy Journey - The Daisy Flower Garden

Old Fliegler's Farm gives the Daisies an exciting opportunity to achieve some of their goals by giving them a hands-on learning experience in a working garden. They will learn about organic gardening, different soil types, composting, beneficial insects, and the importance of eating healthy. We will help the daisies learn how planting a garden can be an extremely rewarding part of life.

The 3-hour adventure program

Explore the gardens, learn all about organic gardening, composting, and collect seasonal crops.

Choose one of these following activities OR a craft from the craft list.

- Make a mini-worm compost bin
- Paint a Daisy Flower Friend (moveable wall art)

Enjoy a healthy snack.

Interact, train and feed all the animals.

Conclude with surveys, stickers and photos!

THIS IS A CELL PHONE FREE ZONE- It makes for a more enjoyable day without distracting the scouts and animals. Thank you!

Cost

- \$30 per scout (10 scout minimum)
- \$5 per chaperone (one for every five girls)
- \$20 per extra parent
