

3-Hour Brownie Journey Adventure - Wonders of Water!

Old Fliegler's Farm gives the brownies an exciting opportunity to achieve some of their goals through experiences and activities to get their minds thinking about water. They will investigate how to save, collect water, keep water clean, and learn why it is essential to their bodies.

The 3-hour adventure program

We will discuss ways the brownies can help save our planet, and put it to use in their lives.

Choose one of the following activities and a craft from our list.

- Construct mini-hydroponics to take home and nurture while learning about growing organically.
- Learn about the water cycle by participating in a "Green Tea Party".
- Choose another program and a craft from the craft list.

Enjoy a healthy snack.

Interact, train, feed, and learn about the animals.

Conclude with photo opportunities and harvesting seasonal crops.

Cost

\$30 per scout (10 scout minimum)

\$5 per chaperone (one per five scouts)

\$20 per extra parent

THIS IS A CELL PHONE FREE ZONE- It makes for a more enjoyable day without distracting the scouts and animals. Thank you!
